### Piqua Area Chamber of Commerce Annual Dinner 2020

### Order of George Presented to Mimi Crawford

The criteria for this award have been consistent for many years and include the following: The nominee must be a positive role model in the community and in their profession or vocation; they must have contributed extensively of their time and talents in promoting and enhancing the quality of life in the greater Piqua area; the nominee must have demonstrated extensive and diverse participation, leadership and support in civic endeavors over a significant period of years; and, the nominee's volunteer participation must be without regard to personal or professional gain. The nominator of this year's honoree, Gordie Wise, states simply: "she is the 'picture perfect' example of a person who exemplifies such attributes."

Mimi Crawford has served on working boards and committees for various civic organizations which demand significant time, expertise and commitment. Without exception, our George this year has been a founding member, an active participant, and a leader in each civic endeavor in which she has undertaken. Mimi serves as a role model as someone who grew up in Piqua and has given back to the city in which they live and love. She has been active in the YMCA, serves on the Endowment Fund committee and the Program Committee, as well as, having championed our local health care by serving on the Piqua Memorial Hospital and Upper Valley Medical Center Foundation Boards and has served in leadership roles in both.

As a founding member of the Piqua Community Foundation, this year's George has been its President, served on many of its committees, and was instrumental in the first community campaign to raise funds for Piqua HS athletic facilities. This year's honoree stepped forward to seek election to the Piqua City Schools Board of Education and led the development of policies that have helped to shape education in our public schools. A Rotarian since 1990, Mimi was the first female member of the Piqua Rotary Club, served as the club's President and has been previously honored as a Paul Harris Fellow.

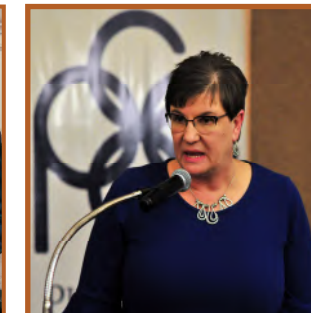

Most recently, our honoree has become an active member of the Piqua Compassion Network, having served as the chairperson of the organization's ten-year celebration committee and secured an outstanding speaker for the event.

Our 2020 Order of George has accomplished all of these efforts and leadership roles while running a successful real estate development and home building company

FROM THE GROUND UP

Mariana Patton, Customized Training Coordinator at The Upper Valley Career Center Adult Division was guest speaker for the Miami County Safety Council's January 9<sup>th</sup> meeting held at "A Learning Place". Mariana's presentation was on "Cold Weather Caution and Winter Weather Tips."

Mariana covered the cold weather topic including OSHA standards and employer responsibility just to name a few and how they are involved in the lower temperatures. This topic showed the importance on educating employers and employees. "Think it out, then go out" said Mariana. Knowing what tasks you are going to be performing, checking the forecast and having a plan before you go can prepare you and keep you safe during the frigid weather. Mariana's powerpoint presentation can be seen on the Safety Council's page of the Piqua Chamber of Commerce website <https://piquareachamber.com/safety-council-2/>.

This month's meeting will be Thursday, Feb. 9, from 12:00 noon - 1:30pm with guest presenter Jeffrey J. Busch, Director of The Miami County Communication Center, on "9-1-1 At Your Service". Members can RSVP on the Piqua Chamber's Calendar of Events.
