

Job Posting

Senior Maintenance Technician

Harmony Systems & Service, LLC Piqua, Ohio

Harmony Systems & Service, LLC is seeking a **Maintenance Technician** to support our plastic injection molding operations. This position is responsible for maintaining production equipment, troubleshooting mechanical and electrical issues, and ensuring our facility operates safely and efficiently.

Key Responsibilities

- Maintain and repair injection molding machines and supporting equipment
- Troubleshoot mechanical, hydraulic, and electrical issues
- Perform preventative maintenance on machinery and facility systems
- Assist with equipment installation and upgrades
- Support continuous improvement efforts to increase equipment uptime
- Maintain maintenance logs and documentation

Qualifications

- Experience in industrial maintenance or manufacturing maintenance
- Knowledge of mechanical, hydraulic, and electrical systems
- Experience with injection molding equipment preferred but not required
- Strong troubleshooting and problem-solving skills
- Ability to work independently and with a team

What We Offer

- Competitive pay based on experience
- Stable manufacturing environment
- Opportunities to grow with a growing company
- Supportive team culture

Location: Piqua, Ohio
